SHOW ME YOUR WORLD

HOBBIES & INTERESTS OF A TYPICAL IRISH SCHOOL!

Our 6th class students (see below) conducted a survey of all the students and teachers in Corville NS. We wanted to show you what were the most popular hobbies and interests of our students. Native Irish games such as hurling, camogie and Gaelic football proved very popular, but there were also many similarities between our school and other Erasmus schools. We are not so different after all!
