

Dear Parents,

Please find enclosed a schedule of daily work for you to complete at home with your child over the next couple of weeks. This is to ensure your child does not regress over the coming weeks due to the enforced school closure.

We appreciate that at times the tasks may be difficult to complete outside of the classroom but all we expect is their best effort. A child learns more when given immediate feedback, therefore parents are welcome to mark their child's work in this situation. We will also review their completed work on returning to school.

We appreciate your co-operation and hope to see everyone back to school in full health in the coming weeks. Please check the school website for any updates and there will be a copy of the homework for you to access on the website.

Kindest Regards

Ms Scott and Ms O' Sullivan

Friday 13th March
