

6th Class: Week 2: Mon 30th – Fri 3rd April 2020

Hi Everyone!

Just a little note to say Hello and hope you are all doing ok. It seems like so long since we were together in school. I bet you're bored and frustrated but hopefully staying apart means that we can be back together sooner rather than later! If you can apply yourself to a little work everyday you will feel better. I hope you are all being kind to your parents too at this difficult time – get those chores done! 😊

Miss you all

Ms. Fitzpatrick
