

## Week 6 & Week 7: Mon 6<sup>th</sup> – 17<sup>th</sup> May 2020

Hi Everyone, I know the weeks away from school feel like an eternity and it's really hard to stay motivated at this time. We are all finding it difficult to keep our routines going, but it's definitely better to stay in a routine if you can. If you have access to the internet, have a look at the links with each subject. If you have access to a printer, you can print off some extra bits too. Please don't worry if you can't print anything. We ask you to complete what you can. If you have any problems just send me an email ☺ MsFitzpatrick@corvillens.com
