

WEEK SIX Monday 4th -Friday 8th May 2020

Hi everybody,

Well done on all your hard work so far. You are all
super stars 

Welcome to week six. I hope you are all getting on ok and that you are staying safe and well. Please email me on msryan@corvillens.com if you are having any problems or if you have any questions. Great to hear from so many of you so far. If you send me your email I will send you on the links for War Horse and maths for this week. You can print them off and write on them all if you want. If you don't have access to a printer just pop the answers into your copy. There's no problem either way. We are going to continue with our English work through War Horse this week and focus also on The Famine in our history. If you, or any adult in your house has the app 'Audible' or could download 'audible' for you onto a phone or iPad you could listen to War Horse for this week for a change. I will send the links via email. I'm going to leave the PE links below so that you can use them again this week. Don't forget to send mrscully@corvillens.com on any pictures that you have of projects, science experiments, your French project or art you may have completed for the school website. We would love to see them. Don't forget Homeschool Hub every day at 11am on RTE2.

See you all soon,

Ms Ryan
