

Dear Parents,

We hope you have been enjoying the beautiful weather and your couple of days off. We are really missing the children and hope they are getting through their work okay.

The next 2 weeks work is attached. As before, do these at your leisure. We have also given all the details to access further resources for each core subject again in case you need them. These are excellent resources and the children will be familiar with how to use them once they are up on the screen.

Reading

This is an excellent reading resource with you to log on to so your children can access their reading books. Continue exposing your child to as much reading material as you can at this time. The children read a lot of levelled readers from various schemes. One of these is the Engage Series which the children know and enjoy in school. Folens have kindly made the Engage set of books available for free online.

Go to: <http://www.mycapstonelibrary.com/login/index.html>

Username: freeaccess

Password: engage

You can search the colour of the band you want to start with, and it will filter the books for those levels. - Pink 1-2, Red 3-5, Yellow 6-8, Blue 9-11, Green 12-14, Orange 15-16, Turquoise 17-18, Purple 19-20, Gold 21-22, White 23-24, Lime 25-26

English

We have been following the **Over the Moon Programme** this year for English and their online resources are excellent. The children really enjoy our Over the Moon lessons at school. Each fortnight we cover one Unit/Theme. Here is how you can access the resources to help with their English learning:

<https://www.gillexplore.ie/gill-explore-resources/over-the-moon-first-class-skills-book>

Go to the dropdown menu, press 'all chapters' and click on unit 17

Here you will have access to so many amazing resources – some of these are printable and some are online/interactive. The children are used to using the Oral Language & Interactive Resources. Here you will find the Oral Language Poster, Interactive Poem and several online games for the children to play. You might want to read through some of the printable resources with your child and feel free to print and use them for various games/activities. However, this is not a requirement at all – so don't feel pressurised to print/use any of the above!

Maths

If you wish you can access the ebooks on Edco Learning <https://www.edcolearning.ie/>

Login Username: primaryedcobooks

Password:edco2020

The screenshot shows a page titled 'OPERATION MATHS 1ST CLASS - AT SCHOOL BOO...' with 'Chapter/Unit Number: 47' and 'Page Number: 124'. The main content is 'Operations 6'. It features three columns of activities (A, B, C) with visual aids like base ten blocks and number lines. Column A shows $19 + 1 =$, $19 + 2 =$, $19 + 5 =$, $19 + 8 =$, and $79 + 1 =$. Column B shows $39 + 3 =$, $39 + 9 =$, $39 + 7 =$, $39 + 2 =$, and $39 + 6 =$. Column C shows $67 + 6 =$, $67 + 4 =$, $67 + 9 =$, $67 + 7 =$, and $67 + 5 =$. There are also two 'Add. Use the number line.' sections with number lines from 45 to 65 and 65 to 85. A vertical 'Edco Resources' button is on the right side of the page.

You can click on this 'edco resources' and you will be able to access some activities the children can play for that unit.

The screenshot shows a 'Ready to go Activities' menu. It has a green sidebar with 'Categories' and 'All Categories'. The main area shows 'Operation Maths 1st Class - At Scho...' and 'All e-book chapters/units'. There are three columns of activity cards, each titled 'First Class and Second Class'. Each card contains a grid of activity buttons (Activity 1.1 to Activity 1.10) and a 'Ready to go activity 1.1 Weblink' button. A 'Close' button (X) is in the top right corner of the menu.

You can have a look at the different activities and there are some questions to go along with them if you feel like it. Again, no pressure to do so it's just if you want a little extra from the resources.

Gaeilge:

Lots of interactive lessons – Ceacht 1 – 4 - on Bua na Cainte software. Below is how to access these resources:

Edco have kindly offered the Bua Na Cainte software to all homes in Ireland during this time. It is an incredible resource and we recommend you download it, if possible. The children will be familiar with the interface from school and will probably be able to navigate it with a little assistance. Here you will have access to stories, songs and games for the topic. The children really enjoy this software at school!

1. Go to www.edco.ie/bua
2. Select the file which suits your computer – PC or MAC
3. Select the class level you require (First class), and then click on it to start a download of the file.
4. Once the download has completed, click on the file to install and follow the on-screen instructions.
5. A Bua na Cainte icon will appear on your desktop. Once you select this icon, a login page will open where you will need to enter the details below:

Login: trial

Password: trial

There is a lot of information above so use it at your own pace and leisure. Get in touch to let us know how you are all doing as we miss you all so much.

Most importantly, stay safe and well.

Kind regards,

Ms Scott and Ms O' Sullivan
