

Angelika,

I'm so proud I was your teacher
I've watched you learn and grow
We worked so hard and had such fun
How fast the time did go!
Our year was interrupted
And it seemed too soon to part.
Just know that you will
always have a special place
within my heart!

Love from,

Mrs Frawley

Macie, Welcome to our Class!

A place where friends smile, to show you that they care.

A place where everyone's a friend, and happy to be there.

A room that's someplace special, where kids know they belong.

Where no one is left out, where together we are strong.

A class where all are learning, and no one's left behind.

Where you can ask for help, and everyone is kind.

The kind of place you want to be, when you come to school each day.

A kind and caring classroom, is great in every way.

Love from,

Ms Kelly
